Moooi wallcovering presents: Moooi Tokyo Blue

The distinct features and surroundings of the newest addition to the Museum of Extinct Animals, the Indigo Macaque, inspired a new collection within the Extinct Animals Wallcovering Collection: Moooi Tokyo Blue. Five extraordinary wallcoverings in divergent techniques, such as denim and marquetry. Five different designs with Japan's beautiful and versatile nature and ancient culture as common denominator.

#### INDIGO MACAQUE

Textile wallcovering made from denim, with coloured embroidery. The design on the Indigo Macaque wallcovering displays a playful scene of Indigo Macaque families bathing in their favourite relaxing spot: the hot springs at the foot of the Japanese mountains.

## SHOJI BLOSSOM

Symbolic cherry blossoms and straight lines resembling the minimalistic feel of Japanese Shoji screens. Opposed to the stark contrast of pink hues on translucent Washi paper, this monotone 3D wallcovering made from denim or felted wool radiates tranquillity.

RENDEZVOUS TOKYO BLUE

Printed on a soft and velvety finish fabric with denim textures, this lively wallcovering depicts a lush forest brimming with life and movement. Upon closer inspection, Indigo Macaques dressed in traditional kimonos can be discovered between the abundance of exotic flowers.

## TIE-TAMI

Treat your eyes to the rich and versatile colours of spectacular sunset. This jute and raffia wallcovering, honouring the ancient Japanese flooring solution of woven tatami-mats, pictures abstract clouds that slowly drift by while the day gives way to night.

#### LUCKY O'S

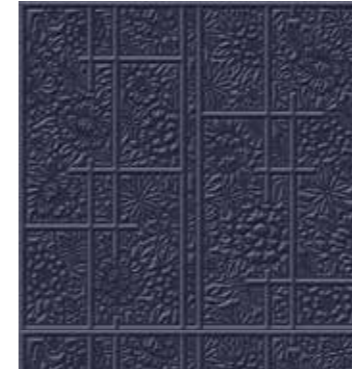

Overlapping O's, created of wood veneer marquetry inlay, resemble the rolling waves of the ocean. The unique wallcovering's ancient Seigaiha pattern symbolising waves of water represents good luck, power and resilience.

THE EXTINCT ANIMALS COLLECTION

## THE EXTINCT ANIMALS COLLECTION

The Extinct Animals wallcoverings are inspired by Moooi's Museum of Extinct Animals. With the Museum of Extinct Animals, Moooi celebrates nature's diversity, stimulating to stretch the limits of imagination. Highlighting that the most invaluable treasure from past and present expeditions is the unexpected diversity of beauty, in all its forms. The Extinct Animals Wallcovering Collection broadens Moooi's design horizons by adding a new vertical dimension. Within the Extinct Animals Wallcovering Collection, each pattern is inspired by the characteristics of one extinct animal. Striking combinations of colours, features and patterns of its fur, plumage or skin bring it vividly back to life on our walls. Some designs narrate a story; others stimulate our senses using imagery and textures.
